

INFORMED CONSENT FOR TESTING - ADHD (Adult)

The following is information regarding policies that may affect you. I hope this information will answer any questions you may have, but if you have special concerns, please do not hesitate to discuss them with me at the first session. Please read this carefully and sign at the bottom. I will give you a copy to take with you.

Testing Information:

The purpose of this testing is to determine if you have Attention Deficit Hyperactivity Disorder. All of the tests that I give are standardized and supported by research to be valid and reliable instruments for the measurement of these issues.

Please read this carefully – here are the steps for testing and results:

1. The **first session is the 1- hour Intake** with Dr. Danielak. The fee for the 1- hour Intake is **\$250.00**.
2. The **second session is up to 1 hour of testing**. Part of the testing is computer-based and part includes checklists that you and/or significant other will take home and complete. The fee for this testing is **\$500.00** and includes 2 hours of scoring and report preparation.
3. The **final appointment is a 1-hour Feedback appointment** during which Dr. Danielak will review all of your test results and your report. The fee for this appointment is **\$250.00**. We will send you a PDF version of this report so that it can be sent to any other physicians that you feel necessary. The total for everything is \$1000.00.

Although I do not file insurance, I will give you a superbill at the Feedback session. BE SURE to add your member ID number, address, date of birth and any other identifying information. If your insurance company requires you to use their form, simply attach my forms to theirs and send. About 80% of my clients get some reimbursement.

Additional Information:

24-hour notice is needed if you cannot make your appointment or you will incur a charge for the full amount of the scheduled session. We have many patients on a waiting list, therefore we need at least 24 hours' notice to schedule someone who is waiting to be seen.

Payment is expected at the time of each session. Cash, check, Visa, and Master Card are accepted (not American Express). You will be given a receipt which you can submit to your insurance for reimbursement. Any arrangements other than payment at the time of service must be discussed with Dr. Danielak in advance. We reserve the right to use a collection agency should accounts become severely delinquent. No matter what your insurance coverage, *you remain responsible for the fees for service should insurance not pay*. Any outstanding balance will accrue 1-1/2% per month.

Mary Hynes Danielak, Psy.D., Licensed Psychologist

Although Dr. Danielak is not on any insurance panels, a choice she made many years ago with regards to the quality of her practice and personal life, many of them still ask for paperwork to be completed so you can be reimbursed. Dr. Danielak has devised a compromise: **If asked to fill out paperwork from your insurance company or to call and talk to a reviewer, the fee is \$75.** We understand you may be reimbursed significant amounts of money, but working with insurance companies takes time away from clients. We will let you know in advance if this happens.

Dr. Danielak will be happy to complete any medical forms and consultations with you and other professionals free of charge up to six months after the last date seen. After six months, you are no longer an active client and the charge for medical forms to be completed will be based on her hourly rate or \$225.00. (The medical form needed by a public school for accommodations usually takes about 30 minutes to complete)

I HAVE READ AND UNDERSTAND THE ABOVE POLICIES: (sign below)
